FINE JEWELLERS

July 6th, 1994

To Whom It May Concern,

It has been my sincere pleasure to have known David Jockheck throughout these past two years. He is a man of honor , humour and great skill. David has made a number of intricate handmade pieces for our company and the finish and workmanship has made the presentation very easy and trouble free.

At Fortunes we do a lot of custom jewellery in 18kt. and platinum for a discriminating clientele and the execution and finish of any of our pieces is of paramount importance. David has the knowledge and experience to turn out challenging work of a very high standard and I would not hesitate to give him the highest recommendation. In addition to these talents David has a feeling about his work that can only come from a respect for the artistry and beauty that his trade can impart.

Should you have any questions regarding the above or any other matter please do not hesitate to contact the writer.

Yours Truly,

Michael S. daCosta
President
