To whom it may concern,

We have gotten to know David and Elizabeth Jockheck very well over the past three years both as suppliers and as friends.

In Toronto Jockheck Jewelers is synonymous with quality and integrity. We would consider them in the top 2% in the country for craftsmanship and consistent high quality in the jewels they produce.

We would like to take the opportunity to wish them the very best in their plans to re-locate to the USA. Indeed our loss is your gain.

Yours sincerely,

Mac And Shelagh Moolman
