To whom it may concern

This letter is to introduce Mr. David Jockheck of Jockheck Jewellers - Platinum & Gold Services in Toronto, Canada, who is a first-class Jeweller, specializing in platinum, but also completely competent in gold.

David is a highly reliable person and one of a very few people in Toronto, capable of producing intricate, hand-made jewellery pieces of any kind, both in platinum and gold.

I have done business with David for over 10 years and the results have always been completely satisfactory. I recommend him without reservation.

If you would like any further information, please call me at the above number.
